MITEC TELECOM ANNOUNCES ORGANIZATIONAL CHANGE

Montreal, November 20, 2006 – Mitec Telecom Inc. (TSX:MTM) today announced that Marc Desjardins, General Manager of operations in China, has decided to pursue other activities and will be leaving Mitec effective Nov. 24. Mitec thanks Marc for his years of service to the company and wishes him well in his future endeavors. Martin Caron, who has been with Mitec for 8 years, will be replacing Marc as GM of operations in China.

About Mitec Telecom

Mitec Telecom is a leading designer and provider of radio frequency (RF) products for the telecommunications and satellite communications industries, as well as a variety of other sectors. The Company sells its products worldwide to network providers for incorporation into high-performing wireless networks used in voice and data/Internet communications. Headquartered in Montreal, Canada, the Company also operates facilities in the United States and China.

Mitec Telecom Inc. is listed on the Toronto Stock Exchange under the symbol MTM. On-line information about Mitec is available at www.mitectelecom.com.

Except for historical information provided herein, this press release may contain information and statements of a forward-looking nature concerning the future performance of the Company. These statements are based on suppositions and uncertainties as well as on management's best possible evaluation of future events. Such factors may include, without excluding other considerations, fluctuations in quarterly results, evolution in customer demand for the Company's products and services, the impact of price pressures exerted by competitors, and general market trends or economic changes. As a result, readers are advised that actual results may differ from expected results.
