MITEC TELECOM APPOINTS ROBERT BOISJOLI AND DAVID B. PARKES TO ITS BOARD OF DIRECTORS

Montreal, October 24, 2007 - Mitec Telecom is pleased to announce today that Mr. Robert Boisjoli, Chief Financial Officer at Xanthus Pharmaceuticals Inc., and Mr. David B. Parkes, Chairman of SelectCore Ltd, have been appointed to the Company's Board of Directors.

Mr. Boisjoli will also be taking on the role as Chairman of the Audit Committee. His extensive experience in the financial community at Hampton Securities and Dundee Securities, as well as his present role as CFO at Xanthus Pharmaceuticals, will be a great addition to the team.

Mr. Parkes brings to Mitec many years of experience in the wireless sector, including President and CEO of Sprint Canada and Executive Vice President of Rogers Wireless.

Mitec's President and CEO, Daniel Piergentili, stated, "I am very excited about the addition of Robert and David to the Board. Robert will add tremendous strength to our financial team and David's many years as a senior executive in the wireless industry will be a great asset in providing insight to Mitec to help expand sales to operators".

About Mitec Telecom

Mitec Telecom is a leading designer and provider of radio frequency (RF) products for the telecommunications and satellite communications industries, as well as a variety of other sectors. The Company sells its products worldwide to network providers for incorporation into high-performing wireless networks used in voice and data/internet communications. Headquartered in Montreal, Canada, the Company also operates a facility in China. Mitec Telecom Inc. is listed on the Toronto Stock Exchange under the symbol MTM. On-line information about Mitec is available at www.mitectelecom.com.

Except for historical information provided herein, this press release may contain information and statements of a forward-looking nature concerning the future performance of the Company. These statements are based on suppositions and uncertainties as well as on management's best possible evaluation of future events. Such factors may include, without excluding other considerations, fluctuations in quarterly results, evolution in customer demand for the Company's products and services, the impact of price pressures exerted by competitors, and general market trends or economic changes. As a result, readers are advised that actual results may differ from expected results.
