## **MITEC TELECOM APPOINTS JEFFREY MANDEL TO LEAD INVESTOR AND MARKET RELATIONS**

**Montreal, January 9, 2008** - Today, Mitec Telecom (TSX: MTM), a leading designer and manufacturer of wireless and satellite components, appointed Jeffrey Mandel as director, investor and corporate relations. In his new position, Mandel will be responsible for creating and managing an integrated marketing communications strategy for Mitec. Mandel will manage Mitec's communications with investors and other relevant functions such as executive communications, analyst relations and public relations.

"I am looking forward to continuing to work with Jeffrey as we create a more current and complete understanding of Mitec, including our capabilities and achievements," said Dan Piergentili, President and Chief Executive Officer for Mitec. "Jeffrey has extensive experience in creating timely and accurate financial reporting for the investment community. We are confident in Jeffrey's ability to enhance our public profile and contribute to the growth of the company. We are currently in the process of re-launching our website in parallel with this initiative."

"In my almost two years on the company's Board of Directors, I have developed deep insight into the strong future for Mitec," said Mandel. "There is a great deal to be told about the Mitec story to customers, partners and shareholders. Over the next several months I will be developing a more robust stakeholder dialogue to better showcase our current capabilities and future goals."

"We have also been working closely with the Board on an exciting new business partnership program we will announce shortly," Piergentili concluded.

Mandel joined the Mitec Board in May 2006 and has been actively involved in the company's financial restructuring initiatives. He is President of AMR Securities Services Inc., a corporate finance consultancy which assists high tech companies with their financial and commercialization objectives.

### **About Mitec Telecom**

Mitec Telecom is a leading designer and provider of radio frequency (RF) products for the telecommunications and satellite communications industries, as well as a variety of other sectors. The Company sells its products worldwide to network providers for incorporation into high-performing wireless networks used in voice and data/internet communications. Headquartered in Montreal, Canada, the Company also operates a facility in China. Mitec Telecom Inc. is listed on the Toronto Stock Exchange under the symbol MTM.
