Montreal, October 21, 2009 - Mitec Telecom Inc. ("Mitec") (TSX: MTM), a leading designer and manufacturer of mobile wireless, fixed wireless, broadcast and satellite components, announced today that it has extended the term of 4,650,000 common share purchase warrants that were issued as part of a private placement which closed on October 18, 2006 (the "2006 Warrants") and 18,952,279 common share purchase warrants that were issued as part of a private placement which closed on March 30, 2007 (the "2007 Warrants") (collectively, the "Warrants"). The term of each 2006 Warrant was extended on October 3, 2008, and again on March 16, 2009, and is exercisable for one common share in the capital of the Corporation, at an exercise price of \$0.10, until October 30, 2009. The term of each 2007 Warrant was extended on March 16, 2009 and is exercisable for one common share in the capital of the Corporation, at an exercise price of \$0.22, until October 30, 2009. Given the current turbulent state of the capital markets, Mitec has extended the expiry date for both the 2006 Warrants and the 2007 Warrants a further twelve months until October 30, 2010 (the "Extension"). None of the Warrants are held by insiders. In all other respects, the terms and conditions of the Warrants remain unchanged. The effective date of the Extension will be from the current expiry date for the Warrants, namely October 30, 2009.
